# Episode 1: Treasure『Future Mirror』

——Country of Gold: Japoneru

The other big countries don't try to interfere with the ruler of the island country, On of the six queens that rule the world, Shrine Maiden Shizuku.

Shizuku is located at the backwoods of the sacred mountain.

Furthermore, she's on the peak and secluded herself on the dripping wet shrine, it is for the sake of the effort of her people. 1

Shizuku, who's governing this country is a descendant of a lineage that served the shrine for generations.

She has a beautiful black hair just like the her relatives in clan, and they can use a secret art that no one else in this world can do.

Though this is not by her bloodline, it can be seen that under the Shrine Maiden's dress her superior voluptuous and soft body, you can call it obscene.

「This is all I can do...」

Deep down her feelings, Shizuku uses the secret art of her family『Sorcery』

She's using sorcery to manipulate the concealment barrier of the country, she also puts protection alongside it.

The barrier magic is of course, to prevent other Queens from using their treasure to interfere.

Shizuku uses this barrier to protect Japoneru from invaders.

It can be said that it's the ultimate of the Shrine maiden.

But, one day,

「It turns out that the Forza command fall in the hands of an otherworlder in the future」

It's as if she knew that the Empress who governs the Forza command degenerated, Shizuku spoke to herself.

That's natural.

Shizuku received the treasure『Future Mirror』from the goddess.

This future mirror is, just like its name, it has the power to make it possible to see the future on it's reflection.

With Shizuku using this treasure, she foresees those who attempt to do a crime, in addition, it can foresee any typhoon or volcanic eruption, so she's able to protect her countrymen.

Shizuku, who's using the treasure is respected, and yearned by people as a Yamato Nadeshiko Shrine Maiden.

She saw Elena Ria's fall using that power.

Furthermore, she even learned about the otherworlder.

「Still, how did Forza Command fall? There's a limit to heresy」

For the Shrine maiden who honor innocence, she was disgusted on the method of the otherworlder.

With her character and conduct, not to mention, she doesn't associate with men.

No, she talked to them on her childhood.

When she looked at the future mirror, occasionally an image of a scoundrel is reflected.

That is, a scene where beautiful women were being bought as sex slaves and raped in the town.

Shizuku, knowing the acts of men, felt strong disgust and fear on them But, her heard isn't broken easily.

She's the top of her own country, Japoneru.

If she went mad, she can't protect her people in peace.

Shizuku has a strong sense of responsibility.

However, when she looked at the future mirror right now, she tries to defend her country.

「What is this...」

Shizuku who was looking at the future mirror, foresaw the future.

On the prediction, there was one thing Shizuku can't overlook.

As the image reflected on the mirror became clear, Shizuku doubted her own eyes.

「N-no way...for this things...」

It was an absolute nightmare.

What's reflected in the image, the figure of herself getting forcibly undressed.

The breast were exposed, cheeks red and was breathing roughly.

「T-there's no way...!」

She doesn't want to believe, but the image gets clearer.

There's man appearing from Shizuku's behind.

「T-this person is...」

The otherworlder that made Forza Command fall.

That man is on Shizuku's back, then pierced her violently.

Seeing herself drown in pleasure and doing as she please, Shizuku can't say anything.

No matter how many times she saved her country using the future mirror, for the first time, she doubted it's being.

「...!!」

But, what the future mirror reflects will possibly happen in the future.

「That man even tried to extend is demonic hands on me」

Shizuku's crisis is shown in the future mirror. It's the most dangerous prediction she saw until now of course.

However, she'll make an effort to change the future.

「This kind of future, I'll change it quickly」

Shizuku has the power to alter the future.

With the future mirror, and Shizuku's future altering, it's possible to change any kind of nightmare.

To avoid the crisis in, Shizuku peeked at the future mirror.

But,

「Why is not changing?...」

Normally, the future changes immediately, but it doesn't No, to be precise, it changed.

It changed, but all of the future all ended up with her being in the hell of pleasure.

「W-what does it mean?...」

Among the old history of Japoneru, there was nothing similar to this.

However, long time ago, she heard about something that happened where someone that had a considerably strong belief, there's no way to change the future.

It was said to be a world myth, who would have thought that such a man would really appear...

「...」

Shizuku was lost in thought.

「Is there no other way but for me to become that man's thing?...」

Shizuku was trembling as she was not used to this kind of situation.

Being unable to change the future, Shizuku was gradually cornered.

「I don't want that! I'll change that future no matter what」

However, as she desperately think of the solution, the day where she drowns in pleasure is arriving.

No matter how she tried to escape, to run away, she always ended up as the thing of the otherworlder.

「Any means is fine. As long as I change that future...」

Shizuku is squeezing her brain to make a ground breaking plan.

Something, She desperately thinks for something.

If she tries to attack with her country it is overturned, if she tried to run away, she'd be caught quickly.

「I'll be tracked down even if I run away...?」

Shizuku suddenly came up with something.

「...If I draw myself on him, what would that man think...?」

If she run she'll be chased, she thought that the enemy might avoid her if she tries go face him.

「However, for me to draw myself to a man...」

Her opponent is the one who made the Empress and the Witch fall.

She can't imagine the future where she's just a superficial woman that does as told.

「Rather, I want to run away now...」

——There's no other choice but to become a pervert.

「F-for me to do such a thing...」

As Shizuku is originally a innocent and upright character, she hesitated a little.

She has no choice but to substitute someone that will be violated and drown in pleasure.

No, I mustn't substitute...!

「It's impossible to drive off that man's self-indulgence」

Just when she was about to be driven to a corner, an Idea came up to Shizuku.

「There's no man who wouldn't run away if being pressed on by a pervert. In that case, I will just push myself on him!」

That is the only way for the Yamato Nadeshiko, Shizuku's only way to avoid Ryuu.

「Since it's decided, I must become a perfect pervert before that man came into this land」

Shizuku declared in a dignified manner.

「I— Will become a slut!」

For Shizuku to change the future, she determined to become a slut.

# Episode 2: Become a Slut!

She had decided to become a slut, but Shizuku's perplexed on how would she would become one.

She's a girl that has been looking at the future so she doesn't have much knowledge.

(If I recall...)

There's an old book that lies in the depths of the room.

I've heard that there's also a book written about sex.

Shizuku was never interested in it before, but she needs it's power for herself, so she tracked down the book.

When she opened the book, self-consolation...in short the method of masturbation was written.

「I-I see...」

It was unknown who wrote it, but it was written in detail.

First, it says to massage own breasts.

「Let's try it...」

Shizuku massaged her breasts as written in the book.

But, she can't feel it that suddenly. That's because it would be impossible to wash her body if she felt it there.

「Being a slut...is difficult」

Just like what's written, Shizuku squeezed her chest and rolled her nipples.

Her nipples seemed fairly sensitive, it can be seen when it stood up immediately with just a little touch.

With a stiff bump, it got hard.

The nature and breathing of Shizuku became rough too.

「Ah, N, Aaa, Nu...!」

She herself is surprised of her own voice leaking out.

It's only around the nipples, but her body feels gradually getting hotter.

(T-this is masturbating...!?)

She's feeling sexual pleasure for the first time.

Her body's feeling light, her insides are attacked by an itching feeling, Shizuku is confused.

「Ah, Nn,, kuh...I-it feels good...」

The words flowed unconsciously.

(So this feels is what they call feeling good isn't it?...) She was feeling fear a while ago, then the pleasure is growing steadily.

Her nether regions is becoming moist, liquid is dripping on her thighs.

Her legs are pigeon-toed, the squirming Shizuku sat down.

「Haahaa...power doesn't enter me anymore...」

She never experienced this feeling before.

And yet, she understood that her body wanted more.

A hand extends naturally on her crotch, then entrusts it to her Miko clothes.

「Nn, ah, naaaa!」

Her voice grows, rubbing only her breasts becomes unsatisfactory (I...I desire for more?)

She just felt slight sexual pleasure, then she found that her body is demanding.

She's holding down her desires until now, her mind wavers with a little impulse.

「Haa, haahaa, nu, kuu, aau!!」

She thought that it's no good, her crotch is getting hot.

The feeling to want to touch it steadily increase.

「Good...it's good...M-more...」

Tracing it suddenly, a chilling feeling is transmitted to her spine.

In addition, her Miko clothes are turned and she exposed her lower body.

「Haa, haahaa...nn」

Shizuku exposed the her white thighs and crotch.

A skin no one has touched, it was smooth and beautiful.

There's not a pubic hair growing, so her mound of Venus is smooth.

——A tag to protect her virginity is stuck between her thighs.

This tag has a barrier in it so no one can touch it. 2

The only one who can break the tag is only Shizuku.

This tag automatically deals with her excretion such as urine automatically.

However, strangely, only love nectar is slipping out of her gap thickly.

Because it was a old custom, she doesn't understand the principle, but all generations of shrine maidens must protect their virginity. 3

(As expected, my virginity must be...)

Shizuku thought.

But, since she's caressing her breasts, she can't suppress the pain in her crotch.

Shizuku reaches for the tag, then touched her crotch.

「Hau!」

Even though a special barrier is placed, it's just a thin paper for Shizuku.

Tracing the clitoris on top of the thin paper, it's no wander that she can feel it.

The pleasure runs like electricity all over her body.

「T-this...no」

She knows that she'll go crazy if she goes further.

She knows that, but her hand doesn't stop.

Shizuku might've not noticed it herself, but she has an overflowing talent as a slut.

Giving in to small pleasure, unable to endure it anymore, her pulp clitoris is being rubbed away with the tip of her finger.

Kosu Kosu She stimulated her clitoris multiple times.

「Ah, n! Good, Good! It's good! This feels good!」

She's deeply impressed from the pleasure in this world.

She was sitting, but she gradually changed her posture to pushing out her waist.

Even though there's no one, her legs are wide open and her ass is floating.

(I'm so ...shameless...)

She feels so vulgar.

Shizuku opened the path to sluts.

「Ah, n! S-something's coming! It's coming!」

Her body is convulsing.

Her breath turned rougher, and saliva is flowing from her mouth.

「Haa, haahaa! I-I can't...I am...!」

Shizuku pushed her waist high.

—*Guuuuuush*!

A large amount of tide blew.

Just like love nectar, the tag doesn't seem to absorb it.

Shizuku continues to blow a lot of tide while moving her hips up and down.

It flew just like urine multiple times.

「Haahaa…What a shameless me」

Bowlegged, she finished the thing that's the same as urination.

From a upright and clean shrine maiden, it's an impossible behavior.

But.

(That felt good…)

It was the best pleasure to Shizuku.

「More…more…more…」

Shizuku proceeds to crawl back out of the room.

However, she used her power to pull something over.

「Haahaa…I never thought this is possible」

That's a man's penis' model—Dildo

Shizuku's eye color turned like a beast.

# Episode 3: The Miko turned to a nympho

A dildo in front of her eyes.

She never saw a man's penis before but, she knows that it's genuine2

(This was written in the book from a while ago... However, isn't this too big!?) The actual size was not written in the book, but as one would expect, it would be surprising if it's as thick as one's arm.

If this entered the insides of a body, how would it turn out...

(I-I should try it...)

Shizuku who opened the nympho path from masturbating can't be just curious anymore.

It's impossible to put something inside her vagina because there's a tag, but she understood that her vagina is itching.

Her insides are tightening, it's requesting for a penis.

「*Gulp*...」

Shizuku drank her saliva.

She picked up the dildo and put it on the top of the bed.

「haahaa...This thing...haahaa...」

She's too excited that drool is flowing out of her mouth.

Shizuku is excited at the dildo in front of her just like a hungry beast.

(I-I'm putting it in...!)

She want to put it in but she can't put it inside her vagina.

(H-How should I...)

The moment she thought of it, Shizuku's anus3 closed tight.

(I can... on the other hole...)

Normally that hole is for excretion.

If there, then it's possible to put it inside her body.

「Haahaa…haahaa…!」

Even though she's a virgin, she's gonna put it in her ass hole.

She embraced that nympho manner and got even more excited.

Just looking at the dildo, she's close to cumming already.

Shizuku gulped down her saliva once again.

「I-I think it's okay…」

Though She's worried about her body, she can't suppress her excitement with that.

She can't do anything but insert the dildo in her ass hole to suppress this excitement.

Shizuku thought about it.

(It's standing)

The dildo is standing on the floor excellently.

It seems that there's a man lying on it.

(To be a nympho…It's no good unless I'm on the top) Shizuku stood on the top of the dildo and sink her waist slowly.

「Haahaa…Haahaa…Aaa!」

The dildo strikes her anus and she came lightly with that.

Since love nectar flowed through her ass, her anus is also completely wet.

「I-I'll put it in…」

Shizuku went to insert the dildo even her anus is shutting tightly.

「Ah, Nn, Kuuuu! Aaaaaaa!」

The hard dildo is grinding in her fairly narrow hole.

She hit the part where the head bulges, it wasn't possible to insert it inside well but, Shizuku dropped her ass lower.

Then,

「Aaaaaaaa!」

The dildo entered Shizuku's anus as she make a lovely voice.

It was swallowed to the foundation and went inside successfully.

「Haahaa...It went in...!」

She thought it was painful but surprisingly, there's no pain.

Instead, she felt pleasant, the pleasure runs through her whole body.

「Ahhn, kuu...!」

A fat thing hollowed out and spreads the anus But, even with that pleasant sensation, Shizuku began to move her waist.

「Haa, haa~n!」

She moved her waist up and down rhythmically.

Nobody taught her, but her movement completely belongs to a nympho The waist is moved politely that a man that ejaculates prematurely would've ejaculated already.

(W-what's this...! The hole in my ass...feels good!) The discomfort from the foreign matter gradually fades and the pleasure increases.

Her insides has been poked with the tip of the hard thing that she's seems to cum anytime soon.

「Ah, Hii! T-This is amazing! This kind of things...!」

She spread her legs, then moved her waist while pushing her hands on the bed.

Her ass felt even better when she used her whole body.

The buttocks hits the bed, it can be heard with a Ban Ban sound (My waist...can't stop...!)

The Ban Ban sound even grows further, the force may be able to destroy the bed.

Her ass doesn't distort even with that force, her waist raises high up from the repulsion4

She feels stronger pleasure when she strikes stronger.

(I-I'm...a pervert...I'm a pervert...!)

This girl never knew sexual pleasure just a minute go woke as a woman, became a nymphomaniac.

She doesn't feel repulsed on herself anymore, she just feels the pleasure as a nympho.

In fact, she thought that the clean and upright appearance of the shrine maiden is fake5

「Aaaaa! Good! It's good! My ass hole feels best」

She doesn't think it's shameless even she shouted out vulgar words.

In addition, the pleasure gets stronger.

Shizuku moves her waist at high speed while rubbing her own chest.

「Ahn, My breast feels good! It feels good!」

She massaged her unexpectedly large chest, rolled her nipples, Shizuku was blinded by the best pleasure.

The love nectar overflows, and her clitoris is hard erect.

It's confident like a cock.

Her one hand massage her breasts while the other plays with her clitoris.

「What pleasure! Aaaa! My asshole,feels good! n」

She opened her mouth, drooled, and her eyes turning somewhere.

Just like her appearance in the future.

Being violated by a man, she exposed a dirty ahe6 face.

She was able to achieve it by herself.

(W-with this...even if I got violated by that man...Ahii!) She's already pulling the cart before the horse.

No matter what future she's in, but right now, Shizuku is happy.

「R-rather, I want a penis...!」

She got tired of the fake penis soon.

At the same time, Shizuku is approaching climax「Ah, hii! Cock! I want a cock! Au, cumiiiiiing!」

The lovely voice grows bigger and she move her hips faster.

With the pounding on her asshole, the pleasure went climax.

「I-I caaaand! I...Even though I'm a shrine maiden...from my ass... Cummiiiiiiing!!!」

Shizuku came while blowing a tide.

She fell forward as is with her ass floating.

「Ah, this is no good...Nu, it came off...!」

The dildo came out as she has no power.

It moved slowly.

「Ah!」

Pon The dildo popped from her anus.

「Haahaa...Haahaa...」

Shizuku crawls to the exit.

「Penis...Penis...」

Is what Shizuku desires.

When she looked at the mirror, is the penis from the man she refused so many times.

# Episode 4: To the pirate ship!

Our purpose is to get the Shrine Maiden's1 treasure.

To obtain the treasure, I must make the shrine maiden mine.

For that, we will attack the island Japoneru, which the Shrine maiden rules.

However, it's impossible to warp to Japoneru at the moment.

The Shrine Maiden's barrier obstructs it, that's the reason why we can't invade the country.

That's why, I'll talk to the pirates and we will invade from the sea.

「I'll discuss this time's strategy」

I gave individual role on the women gathered in the room of Forza Command's castle.

「First are the people that will board the pirate ship. Those who will come with me are Aisha, Eunice, Meila, and Leona」

「Got it. I just have to accompany Ryuu」

「I'm with Onii-chan! It makes me excited!」

「I'm going to do my best along with Eunice-sama」

「I will defend master」

The women obediently listened to what I said.

I'm grateful for that.

「It would be good if it ended with negotiation but, the pirates might go violent and it might lead to a fight. I will ask you to guard beforehand」

「Fufu, in any case, you're going to use your Charm Cheat right?」

「True. Well, there's a possibility of surprise attack, for that reason I'm going to take those who can fight」

In order to board the pirate ship where their true nature is unknown, brining these three people who excel in fighting and the almighty Aisha,

there won't be any problems.

I already made the Witch Eunice and the Empress Elena Ria fall and obtain the two treasures.

Since I've already come here with great hardships, it's natural to be a bit more careful.

「Elena Ria and Seria will continue the duties in Forza Command」

I will give my two new captive the Forza Command to continue their work.

「Acknowledged. My King」

「Master, I will work hard」

As expected, I can't take all the members.

Elena Ria is the original ruler of this country so I won't have worries to leave it on her and Seria.

I took great pains on making this country fall, it would be dangerous to leave this to an unfamiliar fellow, so this is the best policy.

「What should I do?」

Yarina who isn't been assigned yet asked me.

「I'd like to ask Yarina to manage funds」

「I see. That's my field of expertise」

The funds which has to be used after making Forza Command fall increased significantly.

Of course, it's necessary to manage the finance, after making other countries fall, this will be a huge benefit.

Since Yarina has a huge experience in business management, I can leave finance in her.

「Next is, Eunice, could you bring the Crystal?」

「Got it, Onii-chan. But, what do you want to see?」

「The pirate ship. Identify the location so we can warp inside the pirate

ship directly」

「I see. Then, Melia, please bring the crystal」

「Understood」

When told by Eunice, Melia had gone to get the treasure.

「However, Master, suddenly going on the enemy's headquarters is dangerous...」

Apparently, it seems Leona is anxious if it would become a fight with pirates.

Are the pirates in this world strong?

「It should be fine. I'm going with those who are used in battles for that reason」

And, as long as I can use magic, fights would be no problem.

「Roger that. In any case something happened, I will defend master」

「You're reliable」

「That's my role after all」

While we were talking, Melia had brought the crystal to me.

「Ryuu-sama, here it is」

Melia passed me the crystal, I supplied magic on it and searched for the pirate ships.

The fog in the crystal gradually clears up and the location of the pirate ships is reflected.

It seems that they're anchored at the sea right now.

Still, this world's magic and treasures are convenient.

I can easily examine the situation of the enemy this way.

「We specified the location of the ship」

「We're finally kicking off, Onii-chan」

「Yeah, that's right. Aisha, I'm going to prepare the warp from now on.

I'll leave the support to you」

「Yes. I got it」

With Aisha's support, I made a warp gate to connect to the space in the pirate ship.

The magic had continued to spread firm, then a black ominous hole without end was made.

「I will warp to the pirate ship and board it. The four people I mentioned earlier will follow」

「Fortunes of war, My king」

「See you soon, Master」

「Leave this place to me」

The stay back see us off, then I entered the hole made with magic, then began to warp to the pirate ship.

Still, you can't get used to it easily but I'm gradually passing through the hole.

A light ahead of the hole is seen gradually, and my senses returned to it's original state.

The exit is close.

「Now then, what kind of woman is waiting in the pirate ship」

I went out of the hole and got off to the pirate ship.

Behind me are Aisha, Eunice, Melia, Leona.

「This is the pirate ship?」

Melia looked at the deck curiously.

I thought that Melia is the most knowledgeable in my harem but it seems it's her first time in a pirate ship too.

I looked around the area we landed.

There are some sailors on the deck.

Having a hallow hole appear in the ship, they don't know what's happening so they're surprised and unable to talk.

「Master, there's a lot of men here」

I thought there's a sense of unease, but surely, there's a lot of men. Half of the crew I see are men.

A man isn't discriminated in the see I guess? There are a lot of men in that case.

「What'yer doin'」

The door from the cabin opened, and a woman with a leader distinction came out., 「Yer some'on I didn't see. W'er did ya come from?」

Though her speech is like Kansai dialect, her intonation is slightly different so I think it's from this world instead of the other world. ...It feels like a pseudo Kansai dialect.

If a person from Kansai might understand her quickly, but unfortunately I'm not a Kansai.

Well, the speaking manner of the other side doesn't matter.

「Sorry for the late introduction. I'm the recent king from Forza Command, Ryuu. I came here to talk」

「King you say!? Name's Bridget. The captain of this ship」

I'm lucky to have the captain come out by herself.

Now then, this woman...

*

1. Aisha and Shizuku are both Miko, but I will use Miko on Aisha and Shrine Maiden on Shizuku.

# Episode 5: Female pirate Bridget

「Why did ya show up suddenly!」

The woman barked.

「I want to negotiate with you」1

「Negoti'tiaton? Han, I can jus' easily seize ya 'ya know?」

「Stop that. The ponytail woman there is the Knight leader. The tan girl there is the witch. We might be lacking in people but we all have considerable skill」

「Han! Who'd believe you!」

The man near Leona attacked her.

However Kin, the man's knife flew along with a shrill sound.

「It's naïve to attack me」

「T-This guy...Swung his sword in a moment...!」

Looking at them quarrel happily, Eunice laughed as if she's having fun.

「Ahaha! Do you want sheer power? Then...!~」

Eunice began to cast some spell.

Then, a black cloud was made, then a lightning appeared from it.

「Okay, lightning Dokkan...!」

「Please stop it, Eunice-sama」

elia stopped her immediately.

「If you do that, the ship will sink. Also, it's enough to just show our power」

Seeing that, the crew already fell on their butt trembling.

Eunice tried to generate lightning lightly.

As expected they would be frightened.

「Tsk, I want to say dokaaan」

Eunice removed the thundercloud while complaining.

However, it was the right choice to bring Melia. Eunice is reliable but she overdo it.

I like her to follow me, but it would be a pain to take care of her as expected.

In that sense, It was good to bring Eunice's maid Meila.

「Kuh, what's with this guys?」

「Do you get it now?」

「I-it's not just a negotiation and nothing more, you mean?」

「Yeah」

I was able to negotiate with Bridget with this.

「Then, let's go to the guest room」

「Got it」

On the way to the guest room, I asked Bridget about his worry from earlier.

「I noticed that there's a lot of male sailors, there's no discrimination here?」

「A man or whatever it is『What's useful is useful』That's my motto」

An interesting idea. It's been rooted in this world that they discriminate men.

「You, even though you're a man you look so self-important」

「Because I am」

「You only took your war potential, you sound dangerous」

「I wonder」

「Well it's fine. It doesn't matter to me if you're a man or a woman」

「That's right. As long as they have the ability and they're obedient」

「That's right!」

Kuku, it seems I'll get along with Bridget.

Well, I don't think of her greatly.

Eunice walking alongside us, she looks dubious and inclined her head on one side.

「Is there any other use for a man than a pleasure?」

Eunice's lewdness is still in her nature.

She only thinks of men as sexual tools.

Well, I think I have the similar way of thinking of tools.

「Here, we've arrived」

We arrived in the guest room while talking.

「Then, what do you want to talk 'bout?」

It's a refreshing character, Bridget asked immediately after we entered the guest room.

We took a sit and proceed to negotiations.

Women who can talk is good.

「I'll get straight to the point. I want this ship to take us to Japoneru」

「Why do I have to do what you want?」

「I won't give you that much details」

「So you wont talk? Then, that's the end of negotiation. Look for some other ships」

As expected, it won't do with just that.

I wish she accepted it obediently for the benefit of each other.

I laughed in my mind, not letting out my mouth.

「I don't care about the ship sending us to Japoneru but... If that's the case, I will pay」

「It's not about the money」

「What is it about then?」

「...I'm a person who hates to be ordered」

「Hou...」

I was unable to hold back my smile「So you don't listen to orders?」

「Yeah」

I just behaved a bit modest and Bridget's aggressive attitude came out.

That's much more interesting, this fellow is really foolish.

When revealing my ability, it's impossible to judge using feelings.2

Well it's fine.

Now then, just in case...

「...I'll ask you once more. Could you negotiate with us obediently?」

「I don't like that. 」

I thought that she's a woman I can negotiate for a moment.

But it seems it's troublesome.

「If we can't negotiate then it can't be helped」

「Are you going to use force? Sorry but I have traps set up in this room」

「Was I brought here for that purpose?」

「Just in case. You got some good face, I'll make you my mate3」

「Haa」

I snorted.

「Sorry but it's the same for you, I don't intend to receive someone else's orders」

「Then, you have to die」

This is why pirates are...

Well, I want to enjoy it so I did the negotiations especially.

「Unfortunately, you will follow me」

「Oi. What're you doin?」

I charged my magical power.

「——Become my woman!」

I used my charm cheat on Bridget.

# Episode 6: Female Pirate Bridget's Paizuri

Just what kind of behavior will the Bridget whose under charm cheat have?

「Haahaa...」

Hou...As expected she's playing the role of the ship's captain.

Does her pride obstruct it? On public eyes she's hesitating whether to wish for me or take me as captive. 2

Even with the charm cheat, her true nature can't be altered greatly There's a change if character but, in reality it's just that they are in love-struck state.

I made a rough sigh, seeing her conflicted is fascinating., 「Now then, what should I do?...」

Well, I think that it's much more fragile than Leona's loyalty to the Empress. I was able to break it using sexual pleasure...

However, charm magic really has an amazing effect.

Perhaps it's difficult to understand a little, but it's fine to say that it's greedy.

I looked at the magic and see them change interestingly afterwards3

With uncontrollable excitement, she might even jump out right now.

However our final objective is to have her take us to Japoneru.

I continued to talk to Bridget

「What's wrong? Did you have a change of heart?」

I know that I casted charm cheat on Bridget but I asked her.

The grand pride Bridget has is collapsing in an instant. Kukuku...

「...I want to talk just the two of us. Let's go to my room」

「It doesn't matter if we talk in this room right?」

「I want to speak only with you」

Is she worrying about Aisha, Eunice, Melia, and Leona?

She makes a confident remarks earlier but she's unexpectedly a type of woman who minds small details.

No, it's different. It seems she can't take it any longer.

I have to say it here. It's impossible for you to be hard on a man.

「Fine. The four of you will wait here」

「Fufu, you're going to enjoy by yourself」

「Sorry. I'll play with you after this ends」

Though Eunice objected, the other three consented.

「Bridget, let's go」

「Isn't it obvious?」

I left the guest room with Bridget and we headed to her room.

「Then, You even changed rooms, what do you want to talk with just the two of us?」

「That's...」

Bridget comes near me with her mouth faltering.

Her mind has the charm cheat and her pride fighting each other.

「That's, what?」

By the way, Bridget wears a pirate dress with frills4 that has a high degree of exposure.

Being bound by the spell now, her big breast that won't lose to her aggressive character was hidden, her plump body can be called obscene.

Probably because she lives in the sea, her softness as a woman is moderately tightened.

Her style is extraordinarily good.

「If you don't say it clearly I'll never understand you」

Then, I touched Bridget's shoulder while saying so.

「Nn...」

Of course, there's no behavior of disliking me at all.

Also, seeing this reaction, it's a matter of time for Bridget to approach me.

「Hey? What's wrong?」

While I was talking, I touch her little by little to tease her.

Every time that happens, Bridget leaks a sweet sigh.

「Nn...You...」

「Call me Ryuu」

「...Ryuu」

I continue the body touch while Bridget speaks.

She can feel pleasure but she can't reach climax「Au...」

「What do you want to say to me? If you don't want to say anything, then I'd like to go to negotiate with other ships immediately」

While continuing the body touch, Bridget can't last any longer.

「Haahaa...Ryuu. Could you entrust this to me?」

「What is it?」

「Sailing to Japoneru...」

Kukuku, you finally said it.

But,

「Didn't you say it a while ago? If you don't like it then I'll go to another ship 」

「Wai! You can't!」

「Why?」

「Uhm...I'll take you...can you hear my request?」

「What?」

「That's...Ryuu's p-penis」

「N?」

「I want to place it between my breasts!」

「I don't have that time but...very well. Do your best to serve」

Bridget kneels and my trousers were lowered.

「...This is hard and big」

Bridget touches my penis in curiosity.

Feeling from her hand, my penis expands gradually.

「Savor my breasts!」

Bridget took of her clothes and exposed her own boasted breasts Then my penis was stuck in the valley between her breasts.

「It feels nice. Move it」

「Hana...Got it」

Whether she dislikes it or not, Bridget is powerless before my charm.

After all, she serviced me with her breast just as I ordered.

「Ahn, Aaaau! Hot...Ryuu's penis, it's too hot that it burns...」5

Bridget looks at my glans appearing and disappearing from her cleavage.

「You're quite skilled. Try better till I'm satisfied」

「Got it」

She's quite obedient compared to the beginning.

「Can you sandwich it stronger?」

「Like...This?」

Saying so, Bridget put her palm on her breasts and strongly push it.

Her tits is hotter than expected, I instinctively remembered the intense pleasure.

Bridget's nipple stands as she can feel it, it can be seen as her breathing becomes rough.

「N...Ahn...It's been while since I had a man. More...more...」

「If you want a man, there's a lot in this ship, right?」

There's considerable number of men at the deck.

In addition, Bridget should have a creed of『Use what can be used』

「Fun...Those guys can't satisfy me at all. Your thing is the best...It's the best in the world!」

All of the women said big whenever they see my penis, the men's norm is probably disappointing.

Did Bridget's lust accumulate after a long voyage.

It seems she's quite proactive.

She's supposed to service me but it seems that she's rubbing her breast strongly and now masturbating.

It's irritating if she's just a mere prostitute, but since I feel pleasant I'll pardon her.

「I won't let you go back until I'm satisfied」

I feel Bridget's paizuri getting gradually stronger.

The pre-cum mixes with the sweat of the female pirate, it's making an erotic sound.

The breast with volume squashes lewdly, it's impossible to endure.

My first shot is closing in.

「Compared to the men on the ship, Ryuu is the best...Ah, aaaah...It would be difficult to separate from Ryuu anymore」

「We don't have to separate. Come and be with me all the time」

「If you say that...I...」

「You're cumming?」

「Aaaaa! I'm about to cum soon...n」

「Wait a bit more! I'm about to ejaculate too」

Bridget's paizuri gets even more violent, it accelerates with my pre-cum as lubricant.

Being wrapped in a soft feeling, I met my limit.

「Aaaaahn! C-Cumming!」

「I'll shoot it out, Bridget」

I gripped Bridget's shoulder then shook my waist.

「Ah, nnn! If you do that intensely...!」

「Catch my semen with your breast and your face!」

「Aaaah! Shoot it out! Pour a lot on meeee!

「Go ahead and cum!」

「Nnnnaaaaah! I can't endure anymore!」

It seems Bridget has reached her limit, she starts convulsing.

「Very well. I'll shoot it on your face!」

「Aaaaahn! Unaa! Cumiiiiiiiiiiiing!!」

Bridget climaxed at the same time I ejaculated.

Byururu, Byuuuuu! Byubyuyu!

While I ejaculate, Bridget doesn't stop her hand on the paizuri.

Then, my semen dashed out from her chest then dyed Bridget's snow white face.

Bridget blew a tide at the same time, A big puddle was made on the feet of the exhausted woman.

「Haahaa...You're really the best...」

Bridget seems to be satisfied, but my penis is still erect.

Now then, let's go to the next action?

# Episode 7: Female Pirate Bridget's cowgirl

「Haahaa...My breast...is now a mess...」

Bridget's paizuri ended.

While breathing rough, she looks at my penis like she wants it.

If you have such an eye, even if you don't say it I will know.

「...Should we go there?」

「Bed? Okay」

I moved to the bed inside the room.

Are you really fancy of me? Bridget calls me.

「...Are you satisfied already」

「What about you, you were showy but are you okay?」

「I'm still not done yet」

Though she's in disorder, she can speak well.

「How long can you keep strong」

For she's strong, she's the top of the pirates.

Perhaps I should learn from that.

「I can't endure it anymore...!」

While speaking to me, Bridget began to take off her underwear slowly.

It's probably from when she blew a tide a while ago.

Her underwear is already soaked wet already.

「Just ending it like that...I don't like that. Ryuu has to take responsibility」

She was gaudy a while ago but her lust had accumulated as she continued to ship.

Bridget has an unbearable expression.

I can still do it too.

Bridget is a nice woman so I want to embrace her, I won't get tired of her no matter how many times we do it.

My final aim is to make a slave harem in this world after all.

I can't be exhausted by this much.

「Can you still go on?」

「Of course. It would be troublesome if you make light of me」

「Then I won't stop until I wring out all of Ryuu's semen」1

「You're cheeky. That's only if you can last, but you see」

「Even if you cry or beg, I won't stop」

Briget comes for me on the bed.

「I'll be the attacker...」

「Fuu, very well then」

This time, Bridget is on top assuming a cowgirl position.

It's probably the effect of magic but she's pretty agreesive.

Bridget gets on top of me and entwine her finger on my penis.

「I'm going to enjoy this to the full extent」

Bridget straddle over me, I can see Bridget's groin in full view from here.

Pulling it greedily, I can already see a long transparent string of love nectar in her genital.

「I-I'm going to put it in...I don't mind if you suddenly cum」

There's still some semen left on the penis, it was swallowed inside her vagina.

The sticky feel covers my penis and tightens up.

「Haaaun!」

Bridget, as if riding a horse trembled as she felt greater pleasure than she thought.

Since she didn't move, I can assume that she came already.

「What's wrong? Did you cum already?」

「...U」

Bridget didn't answer, she breathed deeply for a while before she began to speak.

「...For this... to be so big」

It was a whisper but I managed to hear her words.

However, I didn't ask again.

I'm interested on where will her pride crumble.

「Un? What did you say?」

「...Don't ask. I'll start then」

「Kuku, what an obstinate person」

She's not fallen yet. This is interesting in itself.

Bridget calming down after she climaxed a while ago gently moved on top of me.

At the same time her vagina that just climaxed brandished my penis according to her movement.

「Nn, nnnffuu! Ah, Faan」

Whenever she moves her waist up and down, tap tap, her chest jumps, it's quite lewd.

I reached to that abundant chest.

While massaging the soft breast that sweats slightly, the nipples are already standing.

Kuri Kuri, while massaging it, Bridget's hard nipples got even more erect.

「Aaahaaaaaan! Doing nothing but my nipples, I'm going to cum again... Fuun!」

「What? I though you're going to make me cum?」

「Ahii, Hiin, T...This should'nt be...!」

「Yare Yare, a female pirate isn't a great thing」

「Ah! Shtoop! Deep inside...Cummiiiing!」

Although she raised a lovely voice, her vagina twines itself and tightens hard.

Her light climax seems to continue several times.

「Afuu ,kufuu!」

The pressure of Bridget's vagina who's moving at top is rising rapidly.

It seems that her her limit is approaching.

「Cum as much as you like! Keep cumming until I'm satisfied!」

「Auun! Cumiiiiiiiiiiiiiiiing!」

Biku Biku Biku Biku...!

She faced upwards, she's exhausted already.

「Ha, you can't...Cumming again...! I'm cumming...!」

「You can't endure it? Climax as much as you like!」

「aaaaaaa! Cumming...Again!」

Although she endured hard, Bridget cum again.

「Oi oi, are you done already?」

「...」

Bridget's character is unyielding rather than a bluff.

I think that she wont answer my question until she calms down.

While I was waiting for an answer, I pushed my penis deep inside Bridget.

「N, Nfaaa! Now, kufuun! Hafuu!」

「What?」

「I just came so please stop!」

She's sensitive since she just climaxed.

「Haahaa...Ahii...Ahii...!」

Her breathing became rough.

If you breathe like an animal, that makes me want to feel you more.

I shake my waist more.

「Ya, wa, that place! W-wait! I just came, auuu!」

Bridget pulled her writhing waist as she felt an unknown pleasure after that started right after she came.

However, I grabbed the retreating waist and inserting it in so deep that it reached the uterus again.

「Haaaaan! It feels too good...T-This is haaun!」

「Isn't it fine to feel good? I'll do it more」

「I don't know that...! Sex is such...Aaaaaau!」

「Very well, drown in my body」

「Anuu, Hiuu, Aaaaa! Shtop! Shhtoop...! oooon!」

My body was attacked by the lightly convulsing body that keeps on climaxing.

Bridget barked like a wild beast.

「Yaaan, I-I'm going crazy, kuhaaaan! Crazyyyyyyy!」

The pleasure was too big for Bridget that she's panting and became broken.

However, I didn't mind her state and kept stirring her insides 「D-Don't... So deep...Haaun」

I feel something hot welling up inside my body.

I'm about to cum soon.

「Cumming」

「Hyaaaan! Cum insiiiiiiiiidee! Make me Ryuu's thiiiiing!」

「Speak louder!」

「Inside my pussy...Let out a looooooot! Make me pregnaaaaaant!」

If you say that much, I have to meet your expectations「I'll pour it inside your womb...! Savour it!」

「Nooooo! Cummmiiiiiiiiiiing!」

Bridged's vagina tightened, constricting my penis at the same time she spoke.

It being a trigger, My penis that was huge till the limit released semen inside Bridget's vagina.

「It's comin iiiiiiin! At lot is coming iiiiiiiin!」

Though I just ejaculated, I filled her womb with a thick cloud which is much more than a while ago.

「Ah...Hii...fuu...」

She settled after a while, it seems she's satisfied this time.

Bridget talked on top of me exhausted.

「The talk about the ship—」

「Then, let's do it again?」

I stopped her talk by force.

The prideful Bridget has fallen.

I might as well enjoy myself a bit more.

「Eh...I'm already...」

「Didn't you say that you won't stop until all of my semen is squeezed out?」

「That...」

I throw Bridget down on the bed.

I changed the offense and defense with Bridget.

# Episode 8: Violating in missionary position

「What...the hell ar'ya doin...?」

Bridget, who's breathing rough after cumming asked me with teary eyes.

It seems that she wants to take a break already.

But , I won't let that.

「Let's see. Allow me to be the one attacking this time」

I immediately changed the offense and defense with Bridget, she who is losing her breath said.

「No way...!? That...you can still go on?」

「Yeah」

「I'll cooperate already! I'll do it so stop...!」

Do you think I'll let you escape to this degree?

You seem to lack resolve to be my woman.

「What are you getting surprised for? The real thing starts now」

I declared that it's natural.

Bridget saw my eyes and flustered.

However, her body had already came a lot of times, power can't enter her body well.

We had the cowgirl position earlier now I changed it to missionary, she can't move like that as she's tired.

She can't speak as she's exactly gasping for breath.

「You thought this ended already? If you're tired then let me do as I like」

「...That's right! I don't mind you doing as you like with the ship...That's why, any more than this...」

「That's not the problem」

「You've got to be kidding me!? You, calm down!」1

You were vigorous at first though.

Ending up this way, you're like a shadow of your former self.

Furthermore, it's not my nature to continue doing as I please. 2

Now is the time to seize the initiative, the one that can make Bridget enjoy sex further.

「Let's have that talk later. Right now we're going to have sex until we're satisfied」

「You're a monster!」

「I wonder. Well, I'm not interested though」

Even though I accumulated lust, I can probably withstand more pleasure than this.

Of course, I think that it can't be endured.

I'm looking forward on how much disarray would happen.

「Clothes are obstruction. I'll take them off」

Taking off all the remaining clothes, Bridget became nude.

While I took off my own clothes, Bridget is already in a condition where she can't do anything.

「Ahn, shtop...!」

It's good to take off own clothes but being nude and nude again has a merit in sexual pleasure.

Also, this subject is nice even though there's nothing worn, simple ero is prominent.

While thinking about that, I took off all of Bridget's clothes..

「Now, open your legs」

「I'm already satisied...So please」

Her endurance probably recovered a bit while she was talking.

Bridget starts to shut her thighs poorly./

「I-It's impossible already...!」

Anyway, it's useless resistance if she hardly put any power.

I don't care about such resistance, I spread her legs by force.

Bridget's place was exposed and had various liquids drip.

「Seriously, any more than this...Hauun!」

Before she was able to say something, I began to caress her.

When I inserted my finger, I felt her vagina sticking and sucking it deeper inside.

Also, regardless of cumming often, it's tightening and it's still tight right now.

「I told you...N, nna! Haa! Fuaaa!」

Bridget's voice and vaginal pressure stressed but I came to understand how much she feels.

With this feeling, it seems that she's about to cum.

However I didn't stop my hand caress.

I don't intend to let Bridget rest yet.

「No good! I'm cumming...I really can't endure it! Aguun! Fuaaaaaaaan!」

Bridget won't settle from just reaching climax, it's going to rise even more.

「Naaafu! dwont~shtoo...Hyayauun!」

She can't move her tongue well.

This is what's worth attacking.

But, any further than this and Bridget would faint, I continued until I stopped my hand.

I wait for Bridget's rough breathing from repeated climax come down.

It would be a waste if she faint just from caress.

「Then, I'll be putting it in」

「Eh...W-wait! P-please let me rest at least」

「Why? It would be a waste of time」

Saying that, I mercilessly thrust my penis on Bridget's hole.

「Aaaa...getting extreme suddenly! Fuaaa」

「Now...I'll be moving my waist」

「Stop, dwooooooont! If you do me so violently...!」

Bridget's big breast shook intensely.

A deep valley was made when the chest was brought near.

If this kind of thing is shown, there's no way for me to stop my waist.

「Aaaaaa! I'm going crazy! Uuaaaaaaaa!」

「Then get madder」

「Ahyuuu!! Cumiiiiiing! I'm cumming with every thrust!」

It's natural that she's getting sensitive after cumming, Bridget writhes into pleasure.

Feeling the movement of her vagina, it seems she's cumming continuously.

「How's it, Bridget? Are you feeling good?」

「Ahiiii! Yes, Yeees! Hiiiiiiiiin!!」

How many times she climaxed? It seems she came again.

Since she can't answer directly, it can't be helped, I loosened my movement.

「Haaan...Fuuu, haaa...It feels too good...」

「I see, I will continue not minding how many times you cum until I'm satisfied」

「...Do...」

「What, say it clearly. If you do, it'll even feel better」

「...More, make me feel more! Release Ryuu's semnen inside my vagina!!」

「Hahaha, you really want my semen that much?」

「I want iiit! Ryuu's semen coming out from his penis to my vagina, I want lots...!!」

Bridget had her reason blown away from the unending pleasure, her train of thought doesn't seem to be functioning well.

「I see, I'll penetrate you in your deepest part and fill you up as you wish」

Then, I began to drill my waist and stir her vagina.

The hot boiling greed has gradually run up to me.

「Afuu! No morreeee!! I'm about to...Hauuu!!」

Bridget's thighs began to convulse, her backbone warps into an arc chape.

It seems that she reached climax again.

Raising her voice from the pleasure of climax, her vagina contracted violently, it clings to my penis repeatedly.

It becomes hard for me to endure it.

「Then, I'm going to cum inside again」

「Let it ouuut! Let out a lot!」

Pushing up her waist forcefully, she's preparing her own genital to accept the ejaculation.

Then, my semen was released as her vagina coils around while swelling.

「Fuaaaan! Ryuu's penis is going wild insiddeeee!!」

I spout a cloudy mass, I kept cumming hitting her womb directly.

「Aaaaa! Ah, aaa, aaauuuuu...!」

「I'm still cumming」

「N-No more...! My mind's going blank...!」

「Fuu, are you satisfied?」

「It already surpassed the sufficient level...Haahaa」

I made my penis pulse multiple times and I finished pouring out my semen.

「...Fufufu, You seem glad Bridget. How's it? You want to continue?」

「Eguu...」

Bridget has an indecent expression like she's melting away, and she fainted just like that.

• • •

I awaken the fainted Bridget using magic.

「Ah...Ryuu」

「I want to ask you something」

Because Bridget has fainted, I wasn't able to confirm it.

I decide that this is important to ask before going to the next destination.

「Can you take this ship to Japoneru?」

「...For Ryuu's sake...I'll do anything you say」

Bridget's mind and soul has fallen for me, that she answered immediately.

She's clinging to me like a kitten.

「I'm already...yours...」

At the same time, Bridget closed her eyelid again.

It seems that she slept again.

As expected, it might've been too hard.

Nonetheless, Bridget is my new captive and we also have the means towards Japoneru.

Though Bridget's unyielding character was troublesome, since she completely became a captive, it doesn't matter anymore.

I obtained a pirate ship with all the troubles.

Let's go to Japoneru quickly and capture the Shrine maiden.

# Episode 9: Arrival at Japoneru

Okay...Bridget is safely captured, I got permission to use the ship.

I returned to Aisha's place.

「Any changes?」

「There's no change in particular. It seems it went well on your side」

I haven't said anything but 'as expected of Aisha' I guess.

It seems she foresaw me obtaining this ship.

However, I began to explain to girls aside from Aisha who doesn't understand what happened yet.

「I got the ship. Bridget will cooperate with us」

「Is that so? However, you did well persuading that obstinate woman」

On Melia's eyes, Bridget is an opponent that's difficult to negotiate with.

Well, that's true.

She even resisted the charm magic at first after all.

「But you see, there's no way a woman won't be able to fall for me」

I also used charm magic this time.

If I do that, there's no way a woman to not fall for me.

「...Aside from that...We're glad that you're safe, Master」

On the other hand, it seems that Leona is worried about me all this time.

Since the magic is permanent and I have inexhaustible mana, I won't lose even if it becomes a battle.

Nevertheless, it's true that I made them worry.

It can't be helped.

I'll try rewarding them.

「Leona, come here」

「What are you going to do, master?」

I embraced Leona suddenly while she's speaking.

However, for the worrying knight, she was surprised and her face dyed red, she averted her gaze from me.

「Do you think I'll prefer her instead? That's a wasteful worry. There's no way I'd fail for someone that degree」

「I'm glad that you're safe...」

「I made you worry...」

「...But, it's the knight's duty and pride to protect their master」

I guess it's her disposition as a knight.

I suppose I'll take care of myself a bit now.

「Thanks, Leona」

「Yes...I am Master's sword woman after all」

「Ah, that's unfair. Me too, me too」

It seems Runice also wants a hug after seeing Leona.

「...Got it」

Eunice approached then I hugged her too.

Because Eunice has a smaller back than Leona, the sensation is different from the hug earlier.

「Onii-chan, thanks. ...I want to do it again but...is it no good?」

Then, Eunice brought her lips close to mine to tempt me.

This fellow is really the witch, she's a fiendish woman.

「...No, that's all. I'm a bit tired today」

「U—n...Got it Onii-chan. But, you'll do me lots later okay?」

「That's the end of my story. I used my charm cheat, captured Bridget and the ship is now ours. Is there any change in you girls?」

I turned to Aisha.

She shook her head.

「Nothing. They know that it's a direct negotiation with the captain so the crew didn't do anything」

That much means Bridget's leadership is good.

Furthermore, our war potential is displayed. If they had a decent nerve, they'll stay quiet.

「Bridget is sleeping. We'll depart tomorrow」

「Onii-chan, just how violent were you—?」

「Moderate」

「Buu, I want to do it until I can't stand!」

I ignored the troublesome Eunice.

「Now then, let's take a rest in preparation for tomorrow」

When the captain is sleeping, the ship won't move.

We also slept for today and Japoneru trip will start tomorrow.

I can't go there not perfectly prepared.

• • •

Next morning, Bridget led the ship to Japoneru immediately.

「Weigh Anchor! Let's depart!」

Bridget shouted.

Her appearance is completely different from her state yesterday, there's the air of her dignity of a captain.

However, it may be my imagination but Bridget's expression is somewhat clouded.

Just what did she hear about Japoneru?

Incidentally, I asked what's wrong.

「What's wrong? Is there anything strange?」

「I think the situation in Japoneru is suspicious」

「I don't see that way though...」

But, when I look at the sky, a cloudless sky is seen.

It's hajrd to believe that the sea gets rough with this weather.

I wonder if there's a fellow that lives in the sea that I don't know about.

「You'll know when where there. It get's really rough...」

However, several hours after, it was just as Bridget said, the sea starts to become rough.

「It was so clear earlier, just how rough is this?」

「I think it's until we arrived at Japoneru. This is no good...」

It seems to be troublesome

I issued an order and made the women shut themselves in the room.

There's nothing that can be done if they fell in the sea after all.

Just in case, if I fall out from the ship I can return using my power but I don't need to fall. .

「Still, it made the weather a while ago look like a lie」

「It usually doesn't get this hard. It's unusual for this to get this rough」

While speaking to Bridget, the ship we're in is being stirred up by the raging waves.

The crew is working and running around the deck.

When it reached this scale, it has to be stopped by magic, but nothing happened when I tried stopping the storm with my magic.

Or else, when I thought that I can't warp in Japoneru, something in this storm is blocking magic.

Fortunately for us who's confident with our magic, no matter how shaky the ship goes we don't get seasick, no matter how many waves attack us, we don't get wet.

「Also, how long till we arrive at Japoneru?」

「It's not strange if we should've arrived, we won't know because of this storm right now...」

「I see. Then, if there's another change like this, just tell me」

「Are you returning to your room?」

「I'll be doing that. Can I leave it to you?」

「Who do you think you're talking to! It's fine to leave this to me!」

「Fuu...I'll depend on you then」

Now then, should I return?

I'm already tired with the ship that just keeps on shaking.

I left Bridget to visit the women who secluded themselves in the room.

However, that moment, I body is attacked by a sensation I'm not used to.

「What was that?」

「What did you feel? What's wrong?」

It seems Bridget also doesn't understand that sensation just now.

「Don't mind it. It's probably my imagination」

If I assume a comparison, it's the feeling of the sensation when I enter the warp hole.

Do I remember that sensation because I'm over the sea?

• • •

Bridget's steer and crew are working well, the ship also seems to be safe from the great storm.

The weather had recovered rapidly after I was hit by the uneasy feeling a while ago.

From the fact of warp and storm, this country can somehow interrupt magic from the outside.

「Oops, isn't it too close? Japoneru came into view already」

Hearing that, I take a look at what Bridget points.

Certainly, it's an island, the shore can be seen from a distance.

「Is that land really Japoneru?」

「What do you think of me? There's no other island in here. That's the genuine Japoneru」

It seems we've arrived at Japoneru.

The ship doesn't go to the harbor as it's a smuggler, we anchored at the shore near coast.

It's lucky to think that we entered the country safely after getting through that rough sea.

「We did arrive at Japoneru but, what will we do here?」

「Bridget should standby here so we can set sail anytime」

「Okay. I'm the caretaker of the ship after all」

I tried it at Forza Command but it was impossible to warp inside Japoneru's territory directly.

Then, there's a possibility of being unable to escape using warp inside this country.

Also, I think there should be no problems but insurance makes me feel relieved.

「Then, I'm going to take the treasure of the shrine maiden」

Anchoring to the open sea, I, Aisha, Eunice, Melia, and Leona went from the pirate ship to a small boat to reach the land.

「We're finally here」

Just like as Aisha said, I also felt we made a bit of detour.

The sound of waves hammering the sandy beach has gradually became loud.

We advanced for a little while, the boat's base had reached the sand and

shook a little.

We finally landed to Japoneru.

「Now then, we need information about this country. We should try looking for a village or a town」

「Master. I saw it from the ship, there's something like a harbor from the other side. Should we go there?」

「Yeah. We're likely to get information from there. Let's go there」

We safely arrived at Japoneru, let's aim for people for the time being.

「Onii-chan. I've never seen it but what's that?」

Walking with the aim to arrive at the harbor, Eunice asked me about the stone guidepost put along the highway.

「It's a guidepost. You should've seen this much at least」

「Is that so? But I've never seen such a design on a stone before」

「Then, it's something that's only at Japoneru」

Speaking of, I've never seen stonework after coming to this world.

I've seen it from my world originally but the guidepost has hand-carved characters that I've not seen.

It feels like Japan around the Edo Period.

It's natural for Eunice to not see this before.

Japoneru is a country with a peculiar culture growing in it.

「We should know the details when we arrived. Let's go」

「Is this a port town? It's filled with unfamiliar buildings」

I guess they're curious about me walking with women.

People around looks at me.

...Doesn't matter.

Information is essential right here right now.

「I want to ask you about the shrine maiden」

I asked the woman close to me

Since using charm cheat is troublesome, just answer immediately.

「If it's the shrine maiden, she lives at the top of the mountain which is visible from the other side」

「Is her residence at the top of the mountain?」

「Yes. Shrine maiden-sama is located at the shinto shrine」

It seems that the shrine maiden is located at the shinto shrine.

「Thanks for the information」

When I got away, the woman showed a pretense that seems to arrive, I ignored it and continued. 1

Just like that, I might embrace her and make her cry after all. 2

Oh well, I now know where's the shrine maiden's location.

Let's go there immediately.

Just what kind of woman is the shrine maiden?...

# Episode 10: A slut appeared

「It's quite deep inside the mountain...」

「I heard about it in the port but I didn't think that it would be up here」

Melia agrees with the question inside my head.

It's been an hour since we started climbing the mountain the Shrine Maiden lives.

We continued to walk on the stone stairs but there's no sign of the top yet.

「Hey, Hey, Onii-chan. Is there really a shrine up there?」

「They told that it's on the top. We won't know until we climb up」

We just kept climbing and climbing the stone steps.

Both left and right have the color of the forest after all.

Eunice seems bored of the mountain climbing.

Also, I'm not a mountain climbing enthusiast.

We could just do it in one stroke with warp, but I have to walk on foot as there might be a interference.

Also, not knowing how much longer we need to climb makes me feel down.

「Ryuu, I'm seeing something ahead」

Aisha's words made me feel relieved.

Since we've gone deep in this mountain, our destination is the shrine after all.

「We finally arrived」

We saw a red arch of a shrine not too far.

I who came from Japan feels nostalgic about this.

I haven't seen the shrine yet but it doesn't change that it's ahead the arc like the original.

「Master, I'll go ahead and scout?」

「No, it's fine. It's safer if all of us will go」

「Roger, Master」

Leona seems she can't escape her habit as a knight.

It helps me that she doesn't lower her guard.

She's reliable in the enemy territory.

「We're going to arrive soon. Let's go」

Then, we finally came to the shrine.

「It's quite a wide location」

Aisha said while looking around.

「If you look from above, it certainly is. It would be crowded in the new year shrine visit though」

「New year shrine visit? What's that?」

Of course, Melia asks the unknown.

There's no other shrine apart from this after all.

「It's a traditional event where we pray to the God at the shrine on the first day of the year. Although I don't know the history, it's widely known as a general event」

「It's a traditional event. It seems we don't know anything about Japoneru yet」

Frankly, I don't remember the manners much.

It's something like; you ring the bell, then give thanks, then clap, then bow right?

That's my only knowledge about the shrine.

Honestly, I don't go much at the new year shrine visit. I ask myself why I have to go to the crowd of people in the shrine at new year.

Then, a figure was seen from the distant main shrine.

「Someone's coming, Onii-chan」

As Eunice is speaking, the figure is approaching closer.

「It's probably the shrine maiden that has the treasure. Should we talk to her?」

We walked towards the direction of the main shrine.

Getting in closer, I found out that it's the shrine maiden that's serving this shrine's god.

Why do I know that? Her clothe is of a shrine maiden's I know shrine maiden clothes, for some reason it looks lewd.

「You, are you living here?」

「Yes. It's been the first time we meet. My name is Shizuku」

「Are you the shrine maiden ruling this country?」

「Yes, I am. I was waiting for you. Please come inside」

「You were waiting? You know that we're going to arrive?」

「I'll talk about the details inside. Please come in」

...Is it a trap?

Meeting the shrine maiden easily, and inviting us inside easily.

「...Aisha, what do you think?」

「We can't be careless」

「Yeah」

That said, we can't afford to just stand here.

Strong guys might come out from the surroundings, I think we'll just do what the girl named Shizuku says.

Shizuku took us and we entered the shrine's office.

The shrine office was different from the too wide compound, the room was too small.

Without delay, I thought of talking to the shrine maiden but the shrine

maiden began to speak.

「I guess your name is Ryuu-sama, is it?」

「That's right. I'm Ryuu」

I don't know why she knows my name but it seems I don't need to introduce myself.

「These people are Aisha-sama, Eunice-sama, Melia-sama, and Leona」

「Yes, that's right」

「Yup」

「You know well」

「Yes it's correct」

They answered unanimously. I wonder if she inspected it using magic?

This much won't surprise me.

It might be the power of her treasure tool.

For her to know me, this attitude...

I suspect that she knows something.

「Then, without delay, excuse me」

Saying that, Shizuku kneeled in front of me3

「What? What's wrong?」

「Should I say it's a sign of welcome? I want you to violate me」

「...Ha?」

As expected, I can't hide my surprise in her remark.

Aisha was at loss too.

I wonder if I casted charm magic subconsciously?

No, there's no way I did...I guess.

「...You want to be violated?」

While speaking, the shrine maiden in front of me has already zipped

down my pants.

What the hell is this?

I heard from Aisha that the shrine maiden is clean.

I wonder if Japoneru has such a culture.

No, there's no way.

There wasn't such a thing in the harbor.

To begin with, men are discriminated in this world.

This is strange.

「I'm dissatisfied with myself. Please use me as you like until you're satisfied」

I tried to observe Shizuku calmly.

Compared to that genuine lewd slut witch, this makes me feel uneasy.

Though Shizuku is a slut4, I can't get used to it.

Comparing her movement to Eunice, her movements are of virgin.

「You, you really want to be embraced by me?」

「That's right! I want Ryuu-sama's P-Penis!」

Then, I asked Shizuku another question.

「Could it be that you're being lewd on purpose and inviting me?」

「Uuu...It's not like that! I, Ryuu-sama――」

What's with her?...

I really feel uneasy.

Should I let leave the flow to her?...

「Fufu, Ryuu's troubled it seems」

Tsk, Aisha, You're enjoying this situation.

But, I don't indent to match this fellow's pace just like that.

「...You, do you not know the word 'slut'?」

「Fue?」

There's a hesitation on her response, I believe that Shizuku's true nature isn't a slut.

I see the real bitches so she's out of the question.

「I-I'm not a slut? Just a woman you can violate immediately!?」

「No, it's different. You're not a true slut yet」

「True slut...?」

She's gritting her teeth.

「That's right...I'll tell you what's called the real slut」

「That. What I want is Ryuu...」

「If you're a real slut, then there's no reason to choose a partner. Right, Eunice?」

「I want to pick but are you sure? Onii-chan, there's not much partner that could be gathered in the ship」

「Teach her about sluts to your hearts content」

「Okaaaay. It's been a while since I had a beautiful girl, It's time to rev up!」

「W-what's going on!?」

I can't throw the possibility of a trap prepared in her vagina.5

Eunice's penis is a fake so even if something happened to it, it should be fine.

I'll watch the state of Shizuku being violated by the witch.

「...T-Then, I will have Ryuu-sama as my partner later」

「Okaaaay! Shrine maiden-san, Itadakimaaasu!」

Thus, Shizuku is going to be eaten by Eunice.

# Episode 11: Eunice's Slut education

「You'll be receiving the slut teaching from now on」

「S-slut teachings?」

Shizuku was puzzled by the suddenness.

I explained it briefly.

「You still have a long way to go to become a slut that can satisfy me. This one is a pervert that exceeds far more than your imagination」

If you realized, my party is compost of all perverts.

And their representative is Eunice.

「Eunice, teach her how to be a slut」

「Okaaay~!」

Eunice is fired up, she approached Shizuku on her own.

「Then what should I do?」

Somewhat, Shizuku asked me while she's being pushed down by Eunice.

「...For the time being, Eunice will teach you how to be a slut. The method is entrusted to Eunice」

「Okaaay~! Beauties are my preference— I want to do you—」

Eunice doesn't mind the surroundings and already expressed her impression.

「Eh...? Isn't Eunice-sama a lady...?」

Shizuku doesn't understand the true intention from the bottom of her heart.

Considering that she's a normal person, it's natural.

Unfortunately, Eunice isn't normal.

「That doesn't matter—. It's also possible to feel good between women—!」

「Though it's not impossible for both women b-but, what I want is...a penis!」

She looks like a slut.

Shizuku boasted that.

「Is that so? Then, I'll do it as you wish」

Even if Shizuku knows Eunice's name, it seems that she doesn't know her power.

「...You're not a man but...what would you do?」

Shizuku glanced at Eunice, she looked at the abdomen that has nothing.

Certainly, it's a question that comes out naturally from Eunice's appearance.

「Explaining is troublesome. Eunice, show it」

「Un, got it. Onii-chan」

Eunice took off her shorts along with the answer.

She doesn't show a bit of hesitation.

This is what a slut is.

「W-what does this mean...!?」

Shizuku's eyes can't hide her surprise, it's been glued at Eunice's crotch./

「Preparations are okay with this—」

A huge cock is standing on Eunice's crotch.

The impression of the young Eunice and her penis is a huge gap, it's strange as usual.

「That's too big...Rather than that, why does Eunice-san...has a penis?」

「It's just magic—」

「A magic that can grow penis...? I haven't heard about it!」

「It's quite a difficult magic isn't it? Meliz or other demons can't do it

though」

「But...But what I want is Ryuu-sama's penis...6」

「Sluts doesn't mind those trivial things, Eunice」

I interrupted from the side.

「To make you feel good, don't mind it too much—」

「Because. You'll be letting this girl fuck her if you're really a slut」

「...I understand...Then, please」

Shizuku already rolled up her shrine maiden clothes by her own and exposed her own lower half.

Shizuku's secret place is already wet, it's already dripping a string.

She's already a slut on this condition, there's no necessity of showing a mistake.

「Huh? It seems like it has a paper on your hole that makes it impossible to enter—」

「It's a tag to protect my chastity. Because this body is a servant of god」

Certainly, there's a paper stuck in Shizuku's woman part.

I wonder how she urinates.

Most of the problems in this world can be resolved with magic, so there should be no problem.

「Should we put it in the anus? The back hole also feels good—」

「If the front is no good then there's no choice but for the ass—」

I thought that she's being fixated on it, in the end it's elimination method.

「Aren't you a slut? Do it quikly」

「Of course! Please put it in inside me faster!」

「Then, put your hands on the wall and show me your ass—」

Eunice says that and takes her to the wall.

「You're going to do it from the back?」

「It'll feel even better in this position」

Answering Shizuku's answer, Eunice already sticks her penis to the anus.

She might even put it in immediately.

「Understood...Please do it slowly at fiiiiiiirst!」

Eunice already finished the preparations and had her penis insert to the root entirely.

「Ooo, it all came in—. Also, it tightens so hard」

「Please, slowly...ukuuuu! Doing it violently might turn my ass over...!」

「Eh? It doesn't feel good?」1

「There's no such thing...Hiii! .....You're too intense!」

As Eunice is speaking with Shizuku, she grinds the anus greatly and it makes a Juppo Juppo sound.

Shizuku must've been thight.

「Still, the tightening is amazing—. I might even cum soon...!」

「Haaan, Ahn, Kuun...! Such thing...Inside of me, it got big again!?」

「I...can't endure it so...I'm going to release it inside!」

「Please wait...Haan! Aaahn1 Aaaaaahn!!」

「...C-Cumming!!」

Eunice's body shook as she shouted.

Then, thrusting her penis to Shizuku's hole that has no bumps to the root, she shoot out her semen at the same time.

「Hyaaauu!! Nn! Hyaauuuun! Aaaaaaaa!!」

Shizuku raised a sweet cry along with her body boiling in cloudiness.

「Fuaaau! Uuu! Hot semen inside my anus...I'm being filled in...」

Shizuku already came, she lose strength and became limp.

「Ah, that was refreshing—. Being the inserted feels good but inserting also feels good too—」

She came once but she hadn't demonstrated the genuine lewdness yet.

Eunice's body's proper function is to be a slut.

「Then, let's do it again—」

「Eh...? Haven't you already let it out...?」

「It felt so good so let's do it once more— 」

Making a Zodon sfx, after feeling that it fits, Eunice inserted into Shizuku again.

As usual, Eunice doesn't know moderation.

「Uuu, Kahauuuu...!」

Of course, Shizuku was in agony from the pleasure and shock.

「Ooooo—It's tightening, too tight—!」

「Fuaaaaan! Hiiiiii! Amazing...The penis is too deep!」

「This ass feels so good, it's very good...Ou!」

A beautiful woman lover and as she had eaten a lot of them, It's unusual for Eunice to say that.

「.....Please! More...Thrust me more!.....Stir me up moreeeee!!!」

The hole that's not used usually for sex, in addition it's already making a high speed lewd noise.

「Ahn, no...~!」

「Amazing...! It feels super good...I'm going crazy with this...!」

「My anus is being made into a mess!」

Eunice accelerated her hips even further.

Making a banging sound, it's getting even faster.

Every time that happens Shizuku's body writhes.

「Aaahnnnn!! Deeeeeep!! Impregnate me deeeeeeeeeep!」

「Haahaa…It's tightening amazingly……! I-I…!」

Eunice curved her trembling body.

Stimulating the head of the penis, she's moving back and forth strongly.

「Nnnn!! Aaaaaaa! Noooooooo! I can feel it to deeeeeeeeep!」

「Ah, Nn…I should be cumming soon!」

「Egu! T-The penis got bigger again…!?」

「Haahaa…! Cumming…?」

「P-Please! Release lots…!」

「Next should be outside then…!」

Shizuku's anus is drowning in pleasure trembles a bit.

It seems that she also is about to cum soon.

「I-I'm about to cum…!」

「Me too♪」

「A-gain…Cumming from my asssssssssss!」

「……Uku……cumming!」

Byurururuuru!

Eunice grabs the ass without holding back and unleashed the semen in Shizuku's back.

「Haahaa…I sprayed it all over…」

「Hot…! There's a lot of hot stuff…Ahiii…!」

「Haa…Haa…That felt good—. …I might've cum more than a while ago」

「…Hafu…Haaun…」

Shizuku's back has been dirtied by the white liquid, she looks like she can't move anytime soon.

Kuku, are you possibly thinking that it's already over…?

# Episode 12: Shizuku's degradation

Shizuku gasps as her insides are tainted with semen.

「……Hyaauuun~!」

Still, Eunice looks reluctant so she inserted and grabbed Shizuku's ass again.

However, Shizuku was somehow able to stop Eunice before it was in.

「P-please wait…next should be Ryuu-sama…」

Though she was violated by Eunice and became a mess but Shizuku seeks to have sex with me.

Just how much does this one wants to be raped by me?

「Haa…Please. Ryuu-sama…!」

Why is Shizuku is so fixated on me?

I think that it's strange for her to request even though she's already in this state.

I wonder if I should ask for the reason forcibly?

「Ryuu, I wonder if you should just ask by using your charm magic?」

Aisha who has the same thoughts as me, asked me.

「No, it's not necessary. I'll try to ask her body that has no magic」

Doing things without magic has been proven from my past experience.

Also, I'd like to hear Shizuku's voice without depending on magic,.

「It's okay to use magic but all of them are making the same reaction so it's not interesting anymore」

It's only good to gather information, but what I want isn't information.

「Got it」

「Now then…」

I looked towards Shizuku.

「Ryuu-sama…」

Shizuku still stares at me with greedy eyes.

Shizuku seems to no longer intend to attack.1

Though I don't understand what's her real reason but I will rape Shizuku.

「Eunice, get back」

「Eeeh?—. I haven't had this kind of beauty for a while—…」

Shizuku's hole must be pleasurable.

Her thing is still energetic even after the second release., 「I'll let you do her some time again」

「Got it, Onii-chan. It's a promise—」

「Yeah」

As expected she was a bit satisfied, she separated from Shizuku unwillingly.

Did Eunice already forgot her real reason why she did that?

Our first purpose is to have Shizuku hand me over her treasure.

Well, fine. I'll just make the shrine maiden fall for me and obtain the treasure along the way.

Then first,

「Shizuku, I might as well enter your front hole then, you're good with that?」

There's a tag covering Shizuku's vagina.

I won't start if it's not taken off.

I can do it forcefully but because there might be a some sort of trap I haven't seen so I won't do anything.

「This…」

As expected, magic is related?

Shizuku took time to answer.

「Can't you take that tag?」

I can see her hesitate a little.

「That's right, It can't be easily done」

「Is what's written such a complicated magic equation?」

「No. It's a problem only of resolution... But...」

Saying that, Shizuku covered her own vagina and removed the tag.

「Are you sure?」

「Yes...」

Shizuku stared at me.

「Then, please...take my chastity!」

Chastity?

「Chastity? Even though you said that you're a slut yet...you're a virgin...?」

「Being a virgin doesn't matter! Hurry up and please rape me!」

「Very well. Don't regret it later」

I pushed down shizuku face up on top of the table in the room.

Then, I applied my swelling glans on her virgin hole.

When I thrust my waist, I felt a soft sensation and my superb article gets wrapped gradually.

There's the semen of Eunice dripping out, also, thanks to Shizuku's love nectar, my penis went in easily deep in her virgin hole.

「Kufuuuu...Haaaaaan~!」

Shizuku raised her waist and made a delighted cry.

The virginity Shizuku had till now is lost.

「Eh...? I heard that there's the pain from deflowering but why it doesn't hurt...?」

Did her sense of pain get paralyzed from the intense anal sex with Eunice?

She might actually have talent as a slut.

「It does hurt usually. I'll make you feel that it feels painful!」

With that said, I begin to piston deeply.

「...My virginity...is being stolen violently...!」

「Haha. Are you really a virgin? You're a virgin yet you pretend to be a slut?」

Certainly, our connecting part is dyed a bit red.

Slipping through her vaginal folds, my glans strike Shizuku's deepest part.

Then, Shizuku's entrance that just opened earlier tightened again.

「Ya! U, Stooop! So sudden...doing only my womb...fuaaaaaaan!」

Raising her voice exceptionally high, Shizuku rhythmically tightens with my penis.

It seems that she came lightly.

「I can't believe that you're a virgin just a while ago」

I don't intend to stop my movements just Shizuku said so.

「...Aaaaaaa!? Cumming, I'm cumming! Even though I'm in middle of cumming! It feels good...!」

「Shizuku, tell me where you feel good!」

「Afuun~! ...Pussy! Pussy! My pussy!」

She's now like a slut.

「Being drowned in pleasure and shouting it...no matter where you look at, they'd think that you're a slut. 」

「Afeaeeeeee~! No way...! This...!」

「You perverted woman!」

「Noooo~! If you do me that violently...I...!」

「Are you feeling good?」

「G-good! For me to feel this good...my head is going crazy...」

「Then lose your mind!」

「Too wild...no...more~ no you caaaaaan't!」

Shizuku feels too much pleasure that she starts to lose herself just like I said.

「...You can't! For this penis to feel this gooood...!」

Shizuku drowning in pleasure enjoys to move her waist in joy.

Rubbing Shizuku's vagina violently matches the stimulation on my meat, the time to ejaculate approaches.

「I'm about to cum soon 」

「Nnaaaaa! The penis got fatter...!?」

「I'm going to fill you up」

「Aaaaaaaa! ...Please release the semen of Ryuu-sama that makes me pregnaaaaaaaant!」

「Yeah. I'll let it out inside as you wish」

「I'm cumming again...cummingcumming...Ah...fuu! Fuaaaaaan!」

「Cumming...」

Byuru...byururu...byukun...byukun...byubyururu!

It seems that we both reached our limits at the same time.

I let out my semen inside Shizuku's womb, I can feel that her vagina spreads gradually.

「Aaaaaaaaaaaaaaaaaa!!」

Shizuku exclaimed.

Her vagina narrowed rapidly, it begins to squeeze semen from the penis.

She starts squirming, Shizuku climaxed again and again.

「Afu, kihii…Aa…no…oooo!」

「I let out a lot」

「Haahaa…」

Shizuku's drolling and gasping hard.

「Accept till the last drop!」

「Nnn!! n…Nnnnnaaaa!!」

The convulsion of Shizuku's vagina doesn't stop, I spread out my semen.

「Haaaaan~……Ugu!」

My penis that hasn't withered even after ejaculating still rubs in her vagina, Shizuku can't hold back the pleasure raised a cry.

「It's amazing…so this is…creampie…」

Shizuku finished cumming and I pulled out my penis from the connecting part.

Suddenly, I turned my attention to Shizuku's belly.

Shizuku's two holes have been filled with Eunice's and my semen, then it's filled with a large amount of love nectar.

Looking further, her labia and anus is still twitching from the reverberation and semen was spilling from it.

Isn't this erotic, she's filed with juice.

「How's it? Your wish to become a slut came true. You're my servant now」

Since I finished ejaculating and calming down, I spoke to Shizuku.

「I-It's strange… This is so…」

「N? You say something?」

「N-No. …Understood…I'll be Ryuu-sama's personal servant…I became a slut…」

Shizuku said that and became silent.

After her body lost strength, it seems that she lost consciousness.

Even though it's her first time but I and Eunice did it violently, it's natural of course.

Well fine, I'll ask about the treasure tomorrow.

# Episode 13: Shrine maiden's treasure and new land

Next day, I, along with Aisha, Eunice, Melia, and Leona went together on the room we're guided.

Yesterday, Shizuku lost consciousness after I violated her so we decided to talks to be carried forward next day.

If she has the treasure, I have to obtain it.

Of course I wish for it to be on it's perfect condition.

「Ryuu, why did a virgin pretend to be a slut?」

Aisha talked to me while we're walking down the wooden corridor.

「Indeed they said at the port that she's pure but that behavior is so unnatural. She might have a plan against us」

「Still, why using the disadvantage of being a slut?」

Shizuku's behavior yesterday made Aisha quite anxious that she talks continuously.

「Are you that worried?...By the way, Aisha also at first was—」

「Wait a minute! Any more than that is forbidden」

「Fufufu, yea it is. ...Let's hear the reason why Shizuku did it」

I remembered that Aisha is also a young woman with lots of knowledge in sex but has no experience at first.

We arrived in front of the room while we're talking.

The sliding door is opened, when we peeped on the room, there was a figure inside.

The one waiting for us inside the room is the shrine maiden that was a virgin but somehow pretended to be a slut, Shizuku.

I had it opened casually, we came in this shrine aiming for the treasure.

There's no trap this time, but I might be cautious more than expected.

Let's be careful from now on.

「I was waiting. Please sit down」

I'm relieved to the correspondence more than I thought.

It's like it was a different person yesterday, seemingly decent and docile.

When we came here at first, when we entered the room she suddenly『I want you to violate me』

「Yeah. Then, allow me to sit」

I sat down without thinking and the other four seem to be confused.

Since the Japanese me is familiar with this, sitting on the floor cushion is something I'm used to.

Well fine. The purpose of coming here today is to obtain the treasure the shrine maiden has.

Should I immediately begin the negotiations?

Shizuku has already fallen for me yesterday so the results are already obvious.

「Then, I'll speak first. Do you intend to defy me?」

「I don't have such thoughts at all. I became a slut just for Ryuu-sama」

「Okay, got it. Then, I want you to answer my questions」

「Understood. I'll tell Ryuu-sama anything」

「First, why did you pretend to be a slut in the beginning?」

「I've forseen the future that Ryuu-sama makes me addicted to pleasure...」

「Foreseen? Could it be the power of the treasure?」

「It is. It's at treasure that can see and change the future. This is the treasure that I, the shrine maiden hold.」

When Shizuku said that, she took out a hand mirror that has a regular circle shape and handed it to me.

Judging that she had it prepared, it seems that she doesn't want to resist from the beginning.

I accepted the treasure from Shizuku and looked at the details.

I can see it as an ordinary hand mirror but I can feel tremendous magical power put in it.

As expected this isn't just a tool but a teasure.

「You saw us coming with this treasure?」

「Yes. I use this future mirror to rule this country」

「Then what about pretending to be a slut?」

「One day, I saw the future using this treasure. Then, Ryuu-sama defeated Forza command and the next would be the future of you invading Japoneru」

「Can't you change the future with the treasure you had? It had such an ability doesn't it?」

「Of course, I tried to change it...but whatever I do in the end Ryuu-sama will make a mess of me and I became a prisoner of pleasure」

「In short, the future didn't change」

「That's right. I tried to change the future with a behavior like that...」

It seems that she can't change the future.

With this, I understood why Shizuku is so fixated over me.

「In short, you pressed your own back to the wall and tried to change the future. 」

「It didn't work but that's right」

It seems that she doesn't mind about yesterday anymore.

But from now on, I can do whatever I want.

I finally obtained the third treasure finally.

It's quite useful that I can foresee the future.

Let's use it right away.

「By the way, how do you use this?」

I passed the treasure to Shizuku and asked her.

「It's okay just to look at it. The future will become gradually come to view」

I looked at the treasure that looks like a hand glass just as Shizuku said.

「.....What's going on?」

I looked at the mirror for 5 minutes but there are no signs of anything happening.

Could it be that an otherworlder can't use it?

No, there's no way it is.

I can use the clairvoyant crystal that Eunice uses.

「Just what happening and there's no change at all?」

I should ask Shizuku as she's the best one to ask.

「That's not true.」

「That's what's happening. Try using it」

I said and passed the treasure to Shizuku.

Shizuku looked at the treasure like she's accustomed to doing it.

「.....」

After a while, Shizuku raised her face from the mirror.

「It's strange. I can't see the future...」

The owner of the treasure doesn't understand the cause.

Just what the hell is happening?1

「...It might be the act of the saintess」

Aisha said.

「Saintess?」

「Yes. The only one I know who can do this is the saintess that lives in the elf forest」

「Does that person can restrict the power of this treasure」

「You're right. I'm sure that she knows that Ryuu is collecting the treasure and have created countermeasures」

「Could it be that it's also impossible to use the warp and the crystal anymore?」

「It probably is unusable anymore…」

Then the treasures we obtained up until now are powerless?

…Don't fuck with me.

If such ability is sealed off, it would be difficult for me to move.

But, on the contrary it can only be said if the ability is sealed.

It's proven that they can't kill me directly.

「For a huge magical power to interfere here, it can't be nothing but a treasure」

「If it's the treasure the Saintess have, then the treasures we obtained will become usable?」

「If we remove the neutralization of the saintess, it's possible」

「Then, the next destination is decided. Let's go to the elf forest」

Our next destination is the elf forest, the home of the saintess.

For you to do a provocative act against me…I'll make you regret it.
